90x90

A dining table and four chairs set in a room with windows and a rug. The table is dark brown with a white frame, and the chairs are white with beige upholstered seats. The set is placed on a light brown rug in a room with light-colored walls and wooden floors. There are two windows in the background, one on the left and one on the right, both with white frames. A small potted plant is visible on the right side of the image.
